Print Sales • Custom Framing • Installation

Serving the Healthcare Community and Corporate World

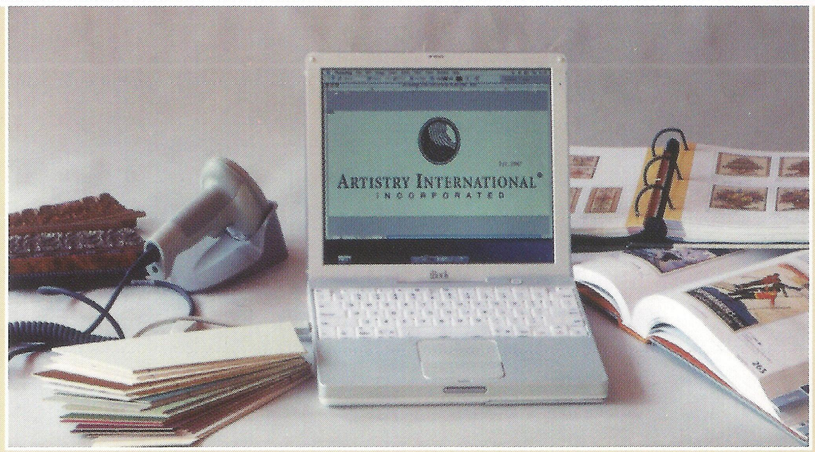
Since 1987, Artistry International, Inc. has applied our design skills and enthusiasm to selecting custom framed prints and other art products for a variety of clients. Having set the benchmark for quality artwork and services, our track record speaks for itself. Artistry International, Inc. has never missed a deadline, gone over budget, or disappointed a client! We approach each project with the same dedication and attention to detail that has always distinguished us from the competition. From concept to completion, we handle every aspect of your project promptly, professionally, and within your budget.

Call Now If You're Planning Renovations or New Construction.

Cost effective solutions to enhance a restricted budget. Artistry International, Inc. is a full-service art company, specializing in large projects and contract clients. Our projects are based on a thorough, professional assessment of your needs. Art designed specifically for your building creates the ideal atmosphere, always ensuring a positive first impression . . . . *usually at less cost than any other single design improvement you can make.*

Let Artistry International, Inc. Make Your Next Project a Masterpiece!

To complete your new decor, allow our talented staff to assist you in the selection of attractive imagery, matting, and framing all coordinated to create the desired effect.



Modern technology helps us to streamline the selection process, saving you time and energy.

The quality of our framing is so exceptional that it is backed by a comprehensive warranty against defects in workmanship and materials for two full years.

For best results, allow our expertly trained, fully insured technicians to install your artwork. Their experience and attention to detail ensure superior results.
